

## What will our "Covering the Next Generation" Capital Campaign accomplish?

Faith's mission statement says we're seeking to unite everyone with Jesus for eternity. Most of our activity toward this end takes place on the church grounds.

To have facilities to "cover the next generation," we'll need well-carpeted floors, a well-covered parking lot, a well-covered roof, and a well-lit sanctuary. By renewing these aging areas, we're providing an enduring place where the Gospel will be proclaimed, the Sacraments will be received and relationships will grow.

We'll also ensure future growth by bringing and welcoming newcomers into Jesus' love. A great place to do that will be in a new well-covered picnic pavilion on the back lawn. Working with many community connections, we'll be known as the place that welcomes everyone into our sheltering care for bodies and souls.

Our investment now will be *Covering the Next Generation* with a place to unite with Jesus...for eternity.

Psalm 48:12-14, "Walk about Zion, ... consider well her ramparts, that you may tell the next generation that this is God, our God forever and ever."

## Frequently Asked Questions

### **How will the Campaign funds be used?**

Funds will be used for constructing a pavilion, replacing carpet in the church, replacing the roof over everything but the preschool, replacing asphalt for the main parking lot, replacing the sanctuary lighting dimmer system, and paying off our existing mortgage. The total Campaign goal is to raise \$1,377,200 to address these needs.

### **How will the Campaign affect my regular offerings?**

It is critical that we all continue our regular tithes and offerings to fund our normal ongoing ministry. Funds for the "Covering the Next Generation" Campaign need to be beyond our normal giving to ensure that we can sustain our daily ministry and achieve the goals of the Campaign.

### **When and how do I start giving?**

On Commitment Sunday, October 30th, 2022, we will be celebrating the receipt of all gifts and commitments. You may start your commitment at any time. Your pledge can be met however you choose to participate—a lump sum or smaller, regular gifts over time.

### **What if we don't raise enough money?**

We believe that we will meet this goal; however, the Board of Directors will determine the priority of spending the Campaign funds received if the goal is not reached.

### **How will this help serve our members and community?**

This Campaign seeks to preserve and renew our facilities for the current and future generations, as well as offering new options to facilitate community outreach.
