Faith's Mission and Vision

<u>Mission</u>: Faithfully and JOYFULLY living every relationship in God's way....to unite everyone with Jesus for eternity.

<u>Vision</u>: Being reminded by the "Thumbs Up" illustration, in everything we do, the Faith family is *JOYFULLY* connecting disciples to **JESUS**, to **family**, to the **church** family, and to pre-believers in the **world**.

Summary Reports from the Board of Directors

<u>Intentional Interim Pastor</u> – Pastor Jeffrey Heimsoth

Board of Directors

Mission and Vision for Faith:

In the interim period it is important to embrace those things which define the identity of Faith, but also to be open to exploring what that identity might be – if there is not anything clearly defined. It is my assessment that the leadership of Faith did not embrace any given vision/mission identity. Thus, I have given this year to explore Faith's identity with several personal caveats:

- Understanding God's desire to bring ALL people together by grace through faith in Jesus
- Recognizing the "church" has lost its voice in the community and can only regain that by becoming more involved—helping to make Grand Blanc stronger.
- Our task is simple, to love -- to love God and to love all the people he puts around you

Highs (God has blessed us richly in 2024—Praise Him for His blessings):

- With the departure of Pastor Bierman, ministry continued on. We praise God for the blessings Faith experienced during his tenure. We are learning to appreciate the foundation of our past even as we adapt for future ministry.
- God has blessed us to maintain worship attendance during the interim and financial support of the ministry has actually increased.

- We have been intentional in building community within the body of Christ.
- The people of Faith have shown a desire to learn what it means to engage with the community.
- The leadership of Faith (staff, Boards, Call Committee, auxiliaries) is strong

Lows (Work still to be done)

- The world is still a mess (Good News—we have the solution)
- Franklin Avenue Mission is struggling (We have opportunity to help)
- We can do better as congregation/individuals to engage with unchurched/de-churched
- There is work to be done to find ways within the organization for more long range/big picture planning for ministry.
- We MUST find ways to engage with families with young children

Goals:

- To call a senior pastor from a position of strength
- To be intentional as we equip the next generation to be strong as the body of Christ and in our ability/passion to engage with those outside of the church with the gospel.
- To be bold in ministry innovations and still be fiscally responsible.

Office Administrator - Alicen Dub

Highs:

- Created a Policy Manual that will be given to employees at the beginning of each calendar year with ALL policies as a refresher.
- Made some updates in Realm to separate adult children into their own households to hopefully get more accurate numbers while running reports.
- Worked with Sam and Computer Assistance to update some of our computer hard drives this year to get a few more years out of them instead of having to replace them.
- Continue to learn and update OnRealm
- Had the chance to work with and get to know Pastor Heimsoth this year.

Lows:

• Some challenges we've had with the rooftop units.

Goals:

- Looking to add some new website responsibilities to the office. Mapping out what that will look like.
- Centralizing policies that have been adopted by the board over the years so they can be reviewed by the board when they need them.

Outreach & Missions - Deb Lund, Chair with Pastor Scott, Carole Schultz, Donna Nitschke (Military Communications) Katherine Swanson (Missions), Staff support with special recognition to Krissa Zander and her countless contributions, Roxanne Steffe /Amy Henderson (Welcome Center) Rebecca Survant (Guatemala Missions), Dick & Nan Gookin, Kelly Cradit (Franklin Dinners) and others, all appreciated for their gifts and service.

Highs:

• Thanks to the diligence and creativity of Roxanne Steffe, the Welcome Center has expanded and improved, staffed with Faith's contagious and smiling faces sharing the love of Christ to all who enter. Life happens, as Roxanne and Al have moved to Ada to be near family (Blessings and thank you so much!) and the Welcome Center/Greeter responsibility has been transitioned to our very talented Amy Henderson.

- The Welcome Center continues to play an active part in providing a friendly environment for guests and members.
- Roxanne Steffe's best practices workshop provided 47 participants a tremendous opportunity to share ideas and solve problems together, emphasizing the critical nature of greeting. A recap of best practices was shared with participants and individual ideas are highlighted in periodic emails to greeters.
- Greeter name badges now identify our volunteers and thanks to Carole Schultz, updated gift bags are available for visitors. A very successful initiative.
- Faith attends GB Chamber of Commerce monthly meetings to stay engaged in the Community and local events that we can leverage. Faith is recognized by the GB Community for its presence and involvement.
- Faith hosted GB Community Cleanup Day, April 27, providing the location hub for community to gather, enjoy donuts and drinks with our policemen, firemen, community leaders and residents before jumping on buses to clean up designated areas of our community. Over 120 attendees and big improvement for our landscape with success measured by hundreds of trash bags!
- Faith also supported planting flower beds and maintenance at I75 and Holly Roads bringing more beauty into our lives. Activity noted by GB View.
- GB Student Hospitality- Faith volunteers offer Tuesday treats and chats (question of the day) with students leaving school and their drivers, builds relationships.

Deaconess Christie Hansard and Andrea August.

Great turnout from the Faith Family, it was a fun event!
- Tailgate Event continues to be very popular, now described by attendees as an annual outing with impressive community participation limited by our available parking slots. Lows

We always welcome more Faith Volunteers; it is rewarding to work for Jesus.

<u>Franklin Mission Network</u> year-end report – Pastor Scott

Lows

- 2024 proved a difficult year for the Franklin Ave. Mission. The search for a full-time pastor/shepherd to fill the vacancy left by the departure of Pastor Christian Jones continues, but with one significant change: FAM has applied to the synod for RSO status, which will permit the mission to issue a call on their own, rather than through the Michigan District. An answer to that request is expected to come through sometime early in 2025.
- In the midst of this, FAM is also facing financial difficulties. Congregational giving is down 50% and individual donations have fallen off by 75%. This decline in donations is almost certainly the result of Pastor Jones's departure, as he was the personal connection between our congregants and the mission, providing updates of the needs and progress of FAM. That personal connection is now gone. If the financial picture does not improve, FAM will be forced to close its doors within the next two years. A plea to the congregations of our circuit has been issued, to offset the current deficit. This has only served to add to the severity of the situation on Flint's East Side. Previously, there were as many as 13 organizations providing meals, food pantry and personal hygiene items, and clothes closets for these residents. Now there are only two.

Highs

- As a result, FAM has experienced an increase in attendance at the diner. One week saw as many as 167 in one night. (Almost double the number previously attending the diner.) There is also an increased need for clothing for children between the ages of two and twelve. Medical care also continues to be a problem.
- Despite all of this, Faith Grand Blanc has continued to step-up. Faith is the only congregation that provides a team to serve on its own. We do so about every six weeks.

Kelly Cradit has done a magnificent job of overseeing the kitchen activities. Faith also has two members (Pastor Scott and Sue Hooper) who serve on the Board of Directors at the mission, and Pastor Scott, together with the others pastors of the Great Flint Tri-Circuit, alternates in leading afterdinner worship on Thursday nights.

- One significant change in 2024 occurred when Brian Baughman was elected as the Administrator for the Franklin Ave.
 Mission. He and the other staff members continue to keep FAM serving people and showing them the love of Jesus on a daily basis, including staffing a market place for food items, and staffing the clothing store.
- FAM faces some tough challenges going into the new year. But we have been greatly blessed by the work the Lord is doing there, nonetheless. People are being served, hearing the Word of God, and receiving His good gifts, in spite of the hardships faced by the community. And people are coming to faith, as well, as several were Baptized during the year. Please continue to pray that this good work in Jesus may continue throughout the coming year, and for many years to come.

Other Mission activities in 2024

- Faith continues \$5K donation to FAM in 2024 as well as special request collection on Dec 22. Faith supported FAM Christmas Ornament Tree to gather gifts for families and Market Place (12 families, 100 ornaments), this outstanding effort filled 17 contractor bags with "requested stuff" for kids and families.
- Faith is considering options for future support and Mission Trips (R. Survant)
- Faith donated \$1500 to Flint Carriage Town Mission year end to help our local friends in need.

<u>Board of Congregational Ministries</u>-Leslie Stratton, Chair, Amy Balenda, Vice Chair & Joel Zander, Staff Support

Highs

- The success of the Ministry Fair on September 8th cannot be understated. Many of our members walked past 20+ ministry groups with the opportunity to learn more about any that interested them and enjoyed fresh hot pancakes and sausage! This event kicked off our fall ministries with great enthusiasm and energy.
- Praise events (church worker/staff appreciation) have been well-supported and attended by our members. Positive feedback has been received from the staff (very appreciative). Many thanks for all the awesome BCM members and others of Faith Lutheran who stepped in to help make Cindy LaFontaine's 25th anniversary celebration such a success.
- The events that BCM subcommittees have organized and led have been very successful and well-received—the Chili Cook Off, Easter Egg Hunt, Spring Fest, Trunk or Treat, and hot chocolate in Advent. These events help our Faith Family to connect with each other in a variety of enjoyable environments.

- To intentionally build trusting and healthy intergenerational relationships we have restarted the secret mentor program for the Catechism students for 21 students with 21 excellent mentors.
- Students in the Sunday morning high school Bible class were introduced to church work careers through a series of five sessions from which positive feedback was received.
- We shared the love and joy of Jesus with 172 children and the help of over 90 volunteers!

Lows

- We continue to be challenged with volunteers from Faith Lutheran Church. Though we are blessed with volunteers, there is greater need.
- The Chili cook-off attendance was substantially less than 2023 probably due to a combination of factors including challenging weather and the Biermann farewell.
- With the student mentoring program we need to gather more detailed information from the students for their mentors.
- We are grateful to those who wrote notes of encouragement to staff, but it was less than hoped for.
- It is good to introduce church work careers to students in high school, but many juniors and seniors are already on a career track.

Goals

- We were able to obtain a nice size list of volunteers from the fall kickoff. We need to remember to utilize this more.
- Be intentional when recruiting volunteers to match the number of how many volunteers are actually needed and let them know the date/time needed, and what their tasks and responsibilities are.
- When people spontaneously step up to help with coffee hour invite them to be added to the schedule or the substitute list to cover if someone is not available.
- Continue to improve and build on the church worker and staff appreciation (Praise Events), the mentor program, and introducing students to church work careers.

<u>Stewardship & Finance</u> – Phil Whitmer, V.P. of Stewardship & Finance

"Christian stewardship is the free and joyous activity of the child of God and God's family, the church, in managing all of life and life's resources for God's purposes. (*Missouri Synod*).

I begin this brief writing with the above to express my true feelings as to the fact that all members of the Church are stewards in that our personal responses to God are or should be lived out within the community of faith to benefit the whole world. Stewardship is not entirely about tithing. Stewardship can and should include managing all of life and life's resources for God's purposes.

The essence of stewardship is wrapped up in Mathew 22:37-40: "Jesus replied, 'Love the Lord your God with all your heart and with all your soul and with all your mind.' This is the first and greatest commandment. And the second is like it: 'Love your neighbor as yourself.' All the Law and the Prophets hang on these two commandments."

Stewardship is knowing the difference between being an owner and a caretaker. Stewardship is about caring for and developing resources. It does not mean that we give away everything we have. It means that we invest and manage it the way God intends. We cannot give what we do not own. The only thing we have to give to God is what He first gave us: our will. Stewardship begins with surrender to the Lord. Only after we have surrendered ourselves to the lord do our gifts of time, talents and resources fit into proper perspective "and they did not do as we expected but they gave themselves first to the Lord and then to us in Keeping with God's will". (2 Corinthians 8:5) Giving suggests ownership and we own nothing except our will. Luke 19:11-26 makes it abundantly clear that we are called to do more than simply return what we have been given or give it away. We are called to invest the gifts, talents, resources and passions that we have for return, a kingdomfocused return.

As your Vice-President of Finance and Stewardship I believe that we, as a congregation and a people of God can and should strive to be better stewards. Stewardship: GRACE, GIFTS, GRATITUDE, GROWTH and GENEROSITY.

May God's Peace be with you!

Phil

(Excerpts from the Congregational Stewardship Workbook 2000 included within the above)

Congregational President – Scott Hans

Wow! It is hard for me to believe that we are wrapping up another year here at Faith. It seems like just yesterday that we were considering our best options to move forward to fill our Senior Pastor vacancy. It has been a tremendous year for us at Faith. Special thanks to Pastor Bob, Pastor Jeff, and the entire staff for their leadership and contributions over the past year. While our ministries flourished, we were able to make significant improvements to our facility thanks to your support of the Covering the Next Generation campaign. Please continue to keep Faith in your prayers as we head into the New Year.

- Pray that God will continue to guide Faith to provide ministries that will lead each of us to a more committed walk with Him.
- Pray that God will help us see the open doors and opportunities that He has prepared for Faith as we take our ministries to the community around us.
- Pray that God will continue to lead us to financially support the work that He

wants Faith to do further His kingdom.

Thank you for all that you have done to support the work we have accomplished this past year, and I thank you, in advance, for all that you will do to enable our success in the year ahead.

To God be the glory.
